

DIGITAL HEATER

GENERATION 6

Save energy and get hot water in 2 minutes.

**AOS Bath
Recommends**

A. O. Smith is the #1 water heater in USA, backed by 145 years of patented American technology.

2-Minute Speed Heat **PATENTED**

Gen 6 digital heaters have instant technology. Get hot water in 2 minutes. Gen 1 electric heaters need 20 minutes.

Gen 1 Electric

20 min
Normal Heating

Gen 6 Digital

2 min
Speed Heating

**Gen 1
2
showers**

**Gen 6
4
showers**

MAX Out Shower Time **PATENTED**

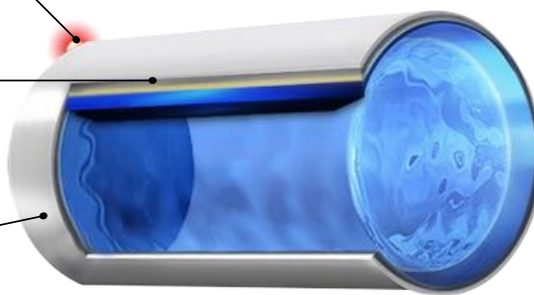

The Gen 6 digital can produce 2 times more hot water than a Gen 1 electric water heater.

High Resistance Robotic Weld

Glass fused to steel at **850°C**

Withstands **21 kg/cm²** of pressure

10-year vs. 5-year Durability

Heater Lifespan in Singapore:

Average heater: 5 years

AOSmith heater: 10 years

AOSmith world record: 52 years

AOSmith Digital Panel

Forgot to switch off your heater?

Auto timers will help to power off your heater when not in use.

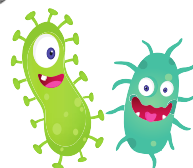

Need hot water fast?

If all bars are green, press 'instant' for speed heating.

Want to save energy?

Instead of 70°C, set to 50°C to save energy.

Don't go below 50°C, or bacteria will love your tank.

Model	Capacity (liters)	Power (kW)	Dimensions D x L (mm)	Net weight (kg)
40PE6	40	3.3	Ø395 x 718	21
50PE6	50	3.3	Ø395 x 838	23
80PE6	80	3.3	Ø463 x 863	30
100PE6	100	3.3	Ø463 x 1028	33

3 year warranty

The Longest Full Warranty in Singapore
