Trusted Water Heater Specialists

AOS Bath Recommends A. O. Smith

AOS Bath Recommends A. O. Smith, the #1 water heater in USA, backed by 145 years of patented American technology. 99.5% of AOS heaters are built with Blue Diamond tanks that last over 10 years.

aosbath

3 year warranty

Longest Full Warranty in Singapore

Other service providers only have a 1 year warranty. AOS Bath offers full warranties that cover both parts and labour for 3 years. This is the longest heater warranty in Singapore.

Thick Thermos Insulation Saves Energy

Water heaters have two functions

1. Heat water
2. Keep water hot

Most insulation is around 2cm. AOS tanks come with 2-inch thermos insulation. Your water keeps warm for 24 hours.

New Steel Element

Used Steel Element

AC Smith. Blue Diamond Anti-Scale Elements Save Money

A. O. Smith Blue Diamond heating elements have a patented anti-scale surface which boosts heating efficiency by 75%.

Normal Steel Heating Elements Waste Energy

Steel elements are widely used because of their low cost. They scale easily and consume lots of energy.

Blue Diamond Glass Lasts 10 Years

A. O. Smith Blue Diamond Glass lined tanks are stronger. They produce cleaner, purer hot water because glass cannot rust. Blue Diamond Glass is proven to last over 10 years.

Normal Steel Tanks Have Short Lifespan

With steel tanks, corrosion, rusting and discoloured water is common. In Singapore, steel tanks have a low lifespan of only 5 years.

Model	Capacity (liters)	Power (kW)	Dimensions D x L (mm)	Net weight (kg)
ELJH-30	30	2.0	Ø360 x 605	17
ELJH-40	40	2.0	Ø360 x 710	19
ELJH-50	50	2.0	Ø360 x 830	21
ELJH-80	80	2.0	Ø463 x 860	31
ELJH-100	100	2.0	Ø463 x 1025	35
